

Race update 6/4/05 & 6/5/05

It was definitely an exciting weekend and the weather was beautiful! Mikey started the weekend at Pinnacle Raceway in Chicopee, MA on Saturday morning driving the F.T. Schook Motorsports #2 car. He did great in the heat (qualifying) race finishing in the 3rd position which means he would start the feature on the inside of the second row. What a great place to start. Unfortunately Mikey didn't run as well in the feature race as he did in the heat race. Mikey finished the race in the 6th spot and was very disappointed. He remained a good sport congratulating the winner, shaking hands with all the competitors and allowing the track photographer to take his photo anyway.

Mikey and his crew quickly left Chicopee to head up to his next race at Sugar Hill Speedway in Weare, NH. Mikey hopped in his #29 tiger sprint and ran 2 great practices with the sun shining strong. Mikey had a little break, cooled off and was ready to go again for his next heat race. Mikey and the #8 of Kyle Poodiack traded the lead several times but Mikey was able to pull off a win for this qualifier! Starting on the pole for the feature race, it proved to be very exciting. Mikey lead several laps trading the lead with the #8 and the #22 of Kayla Cazares a few times. On the last lap the #8 went low with the #22 drafting with him to pass Mikey just before the start finish line. It was a very close exciting race with Mikey ending up with a 3rd place finish! Mikey was very excited to have had a much better race than last week. Mikey was unable to congratulate Kyle (#8) because Kyle hopped into his other car for his next race and Mikey had to head home to rest for his next race in Pomfret, CT on Sunday. So congratulations go out to Kyle for a great race from Arel Racing.

Mikey seemed to have gotten enough sleep to be ready for the day in Pomfret, CT. It was another beautiful day and Mikey was gearing up to drive the #2 car for F.T. Schook Motorsports. Mikey went out for practice and told everyone that the car felt great, don't change anything. He must have been right because he did a great job on the race track winning the heat (qualifying) race! Starting the feature race on the pole position Mikey quickly pulled in front of the pack and after a few caution flags, Mikey was able to hold off the #88 of Michael Mathieu for the win!!

Mikey is looking forward to this weekend with a race on Saturday morning in Chicopee, MA @ Pinnacle Raceway and then off to Sugar Hill Speedway again for an exciting Saturday night race in Weare, NH. Come join us at the race track to see some exciting racing. Photos will be updated on the web site by Friday June 10th, don't forget to check it out! Please be sure to sign the guest book and check out the sponsor page. Mikey loves to read the encouraging words and without the sponsors he knows he couldn't do what he loves doing.
